ROSE

2017 • COLUMBIA VALLEY

TASTING NOTE

This beautiful, classic Rosé opens with floral aromas of rose petals and apple blossom. Bright fruit flavors continue on the palate, complemented by balanced acidity that leads to a dry and clean finish.

ABOUT THE VINTAGE

The 2017 Washington State harvest proved to be spectacular with a record crop level and excellent quality. All factors needed for success came together perfectly: cool nights, lots of warm weather in the growing season, and rain limited mostly to the shoulder seasons. Harvest started the third week of September and wrapped in the second week of November. The crop across the state was heavy, yet bountiful with quality. Our vineyard team enjoyed weather that enabled them to pick at will, affording perfect flavor, acidity and sugar levels.

VINEYARD SOURCES

Known for its many and varied microclimates (cool, warm, windy, hilly, flat), Columbia Valley is the umbrella AVA under which many of the state's sub-AVAs fall. While it contains 99% of wine grapes grown in Washington State, 6,851 of its acres are unique to the Columbia Valley and don't overlap another sub-AVA in the state.
