ABOUT HOUSE WINE

House Wine was created to bring great wine, at a great price, to any great occasion. A national top-seller, these single-serve formats—equivalent to two glasses of wine—have helped build a movement in how we enjoy wine! Packable for seasonal outdoor activities such as hikes, cross-country skiing, the beach or as a fun outdoor entertaining option (offered alongside other beverages in a cooler), these aluminum cans are easily packed out and recycled. And no risk of broken glass!

TASTING NOTE

Sweet, tart and tangy flavors of agave and lime with refreshing notes of south of the border bliss. Our House margarita pairs best with citrus or spicy flavors, summer sunshine and surfing on a with a warm day.
