## ABOUT HOUSE WINE

House Wine was created to bring great wine, at a great price, to any great occasion. A national top-seller, these single-serve formats—equivalent to two glasses of wine—have helped build a movement in how we enjoy wine! Packable for seasonal outdoor activities such as hikes, cross-country skiing, the beach or as a fun outdoor entertaining option (offered alongside other beverages in a cooler), these aluminum cans are easily packed out and recycled. And no risk of broken glass!

## TASTING NOTE

Crisp, fruity and a little tart. Flavors of grapefruit and lime pair with refreshing notes of staycation bliss. Our House Paloma pairs best with tangy or spicy flavors, summer sunshine and scuba diving.
